

ARGENTARIO GOLF RESORT & SPA

ARGENTARIO GOLF RESORT & SPA REOPENS ON 1ST JUNE 2021

After these months of closure, the reopening of the Argentario Golf Resort & spa is finally approaching. On June 1st, our Resort is ready to welcome its guests in complete safety.

The 73 rooms and villas will be available and prepared according to all sanitation protocols in force, the staff and guests monitored and checked upon arrival at the facility, to ensure everyone's safety.

The large spaces of the common areas, terraces and restaurants, allow you to enjoy the opportunities that our Resort offers, with the right distance.

The 18-hole PGA National Italy golf course, the Club House, the driving range, the two padel courts, the two tennis courts, the five-a-side football pitch and the outdoor swimming pools, as well as the two jogging paths, are available for our guests to enjoy a stay immersed in nature and well-being.

Furthermore, you have the possibility of spending your day on the seashore, in our reserved spaces in the "Il Tramonto" beach club, on the beautiful Giannella beach, just a few minutes from our Resort and with a dedicated shuttle service.

The wellness center will be available to our guests according to all the rules and regulations in force. It includes private cabins for face and single body treatments, an indoor pool, Kneipp path, thalassotherapy, hydromassage areas, and a gym with Technogym cardio and weightlifting equipment, and areas for CrossFit and functional gymnastics.

ARGENTARIO GOLF RESORT & SPA

Finally, our welcome is completed with two restaurants: the Club House Restaurant - always open for a snack, a quick lunch, an aperitif or an informal dinner, and our Dama Dama Restaurant - where chef Emiliano Lombardelli will delight guests with a gourmet dinner, full of flavors and traditions.

Our staff awaits the guests of the Argentario Golf Resort & spa, to welcome and pamper them as always, better than ever.
