JAGUAR LAND ROVER PRO AM - ARGENTARIO GOLF CLUB, TUSCANY 14/15 JUNE 2021

Porto Ercole, 15 June 2021 – The prestigious Jaguar Land Rover Golf Pro Am just ended on the splendid course of Argentario Golf Club (PGA National Golf Course Italy). Despite taking place on Monday and Tuesday, the event was sold out and eight teams had to be excluded from the competition, demonstrating the growing desire for golf in Italy.

35 teams from all over the country faced each other, enjoying three days of sunshine, golf and relaxation. The competition started at 7am and the last starts were at 1pm. It was an exciting match, with rankings changing from hole to hole. On one hand, the breeze of the Argentario Promontory relieved the players from the summer heat; on the other hand, it made the course more challenging and certainly more technical and fun.

The team of champion Silvio Grappasonni won the Pro Am with Carolina Vergnano and the Bertero brothers. During the award ceremony, Silvio Grappasonni – who was a former European Tour player and is now a golf TV commentator – thanked his team and congratulated the Argentario Golf Club for the organization and preparation of the course.
