MAREMMA DELIGHT

30.01.20

The Argentario Golf Resort & Spa is a 5-star resort with design rooms and villas, a *PGA National Golf Course Italy* with 18 holes, a wellness center and two restaurants. Experience luxury and design in an original and unique way in this exclusive location in the fascinating Maremma Tuscany.

The Maremma is a striking land that stretches between the beaches of the Mediterranean Sea and Tuscany's rolling hills. Among its most exclusive locations is the Silver Coast (Argentario), famous for its crystal-clear waters and wild nature.

Thanks to a mild climate, the Maremma and the Argentario offer a wide choice of activities that can be enjoyed not only during the summer, but throughout the year.

Located between Porto Ercole and Porto Santo Stefano, just minutes away from the sea, the Argentario Resort lies in a protected Mediterranean oasis. It offers a strategic location for those wishing to visit local attractions as well as art cities like Rome (140 km), Siena (120 km), Florence (180 km) and Pisa (200 km).

The ultimate indulgence, exclusivity, and privacy. Unique design items, stylish furniture, incredible landscapes. Rent a luxury villa in Tuscany near Porto Ercole to enjoy a unique holiday experience with all the comforts of a 5-star hotel. All the Resort's services will be available for your entire stay in a villa.

Surrounded by nature, the luxury villas enjoy an exclusive location between Porto Ercole and Porto Santo Stefano, just minutes away from the breath-taking beaches of Monte Argentario. The villas are ideal for families or group of friends who love wellness and spa, Tuscan food and wines, sports, art and nature. They are perfect for summer vacations next to the sea but also charming for autumn and winter breaks.

This Italian resort boasts dramatic architectural design and stunning interiors which are both reflected in the new villas that sit around 500 metres from the hotel property, close enough for residents or renters to have all the facilities and services of the Resort at their fingertips.
